Violence Against Women Act (VAWA)

The Housing Authority of the City of Ft. Lauderdale (HACFL) has provided information on VAWA to all Section 8 Landlords, incoming residents and existing residents. HACFL will continue to provide information to new landlords and residents as they join the program.

HACFL will host a Domestic Violence Prevention and Identification Training for staff and any clients who may want to attend.

VAWA information is posted in offices as to where domestic violence assistance can be obtained.

The HACFL cooperates with outside agencies assisting victims of domestic violence to the extent that our policies and regulations allow.
